

Public Schools First NC

Education Position Questionnaire

Item # Please feel free to add comments to explain or elaborate on your positions on specific items, if desired (OPTIONAL)

- 1 Yes, the NC Constitution should be upheld.
- 2 Yes. Teachers are the backbone of the community.
- 3 Yes. When we have an adequacy paid & fully staffed school system, our students can thrive.
- 4 Yes. Daycare costs have become too much for many families to cover monthly.
YES
- 5 Yes. In Henderson County we spend \$1885 per pupil in 2008 it was \$1850. If we compare the value of the dollar between now and then, we spend less per student than we did in 2008. Our kids deserve better.
- 7 Yes. This is a win-win for children and our community.
- 8 Yes. As a mom, to ⁴not know every child performs the same on tests and that it is not a reflection of their intellect nor teachers instruction
- 9 Yes
- 10 Unsure of this time. Some charter schools in our county have provided benefits and safety that our public schools have been missing due to them being defunded by our state. There are certain "whole child" attention that our Public Schools can use to nurture students. I do agree that charter schools require public funds more than parents and I do think that public schools we do have, need to be invested first in fully public schools and not new charter schools.
