# Protect Our Public Schools: Stop The Federal Cuts

This summer, *in response to enormous public pressure*, the Trump administration reversed \$6.8 billion in cuts to schools for this year.

**Now, they are  
proposing to cut  
\$12 billion!**

**Tell your members of  
Congress:**

**Let our kids learn!  
No cuts to  
public schools!**

# The Trump Administration wants to cut \$12 billion from public education starting October 1, 2025.

## They want to

- **Eliminate \$4.4 billion for dozens of programs:**

- Support for English language learners (\$890 million)
- Teacher recruitment and training (\$220 million)
- College access and preparation (\$1.6 billion)
- Adult education (\$729 million)
- Community schools (\$150 million)
- Education of children in families that work seasonal agricultural jobs (\$428 million)
- Civil rights enforcement (\$49 million)

- **Cut \$4.5 billion from** afterschool and summer programs, technology and digital literacy, mental health services, rural schools, literacy instruction, new teacher training, emergency preparedness, magnet schools, services for unhoused children, arts education, American history and civics education, and family engagement

- **Eliminate 6 special education grants**, including preschool for students with disabilities and accessible technology
